

GLENDOWIE BOATING CLUB

gbcyachting.co.nz

EST 1949

Home of the Starling and Arrow

Learning the art of sailing a boat in different situations is not only rewarding, but a great mix of fun and adventure. Sailing can help your child gain valuable life skills, and forge friendships to last a lifetime. Encourage your child to give sailing a go today!

The **Glendowie Boating Club** is situated on the Tamaki Estuary, offering an idyllic location for sailing, and boat storage with easy access to the water. The Club has a strong family focus, teaching the skills of sailing and racing in a fun and friendly environment.

Registrations for the Learn to Sail Holiday programme and the Learn to Sail Club Sunday programme are now being accepted for boys and girls aged 9 and over.

The **Holiday Learn to Sail** programme is a five day, four hour per day course beginning Monday 29th September. All aspects of sailing are covered, and on completion, your child has the option of Club Membership, and learning how to race this summer.

The **Club Sunday Learn to Sail** programme begins Sunday 12 October, and runs 10 Sundays alongside other Club Optimist, Starling and Arrow sailors.

Learning in Club Optimists with YNZ trained coaches introduces children safely to the excitement of sailing without the commitment of purchasing a boat.

SPECIAL OPEN DAY

Sunday 21st September, 10.30am
GBC Clubrooms
37 Glendowie Rd, Glendowie

This is an ideal opportunity to talk to club members about what the club has to offer, to experience sailing, or ride on the support boats and see the action first hand.
